Product Care Mobile is only available to purchase from Harvey Norman Ireland on the date of purchase of Your Mobile Phone.

Term

The term of Your Policy will be clearly stated on Your Original Documents as either a one or two year policy, depending on the term You have purchased. Coverage is only available on Mobile Phones with a purchase price over 95 Euro and less than 3000 Euro.

Accidental Damage Cover

If Your Mobile Phone is accidentally damaged during the term of Your Policy, We will, at Our discretion, repair or replace Your Mobile Phone, subject to any applicable Excess Fee, terms and conditions, exclusions and limitations of Your Product Care Mobile Policy. If Your Mobile Phone is repaired it may be repaired with new or refurbished parts. If in Our view it is not possible or not economical to repair Your Mobile Phone then We will replace Your Mobile Phone in accordance with the Replacement Terms below. Where only a part or parts of Your Mobile Phone has been damaged, We will only pay for the repair or replacement of that particular part or parts.

You will be required to pay an applicable Excess Fee each time You make a claim under Accidental Damage cover. The applicable Excess Fee is determined by the Original Purchase Price of Your Mobile Phone and whether or not Your Mobile Phone has a foldable screen.

- (i) the term of the Policy has elapsed from the date You purchased Your Product Care Mobile Policy;
- (ii) You receive a replacement Mobile Phone where Your Mobile Phone is replaced following a valid claim under Accidental Damage cover (Note that if Your Mobile Phone is replaced, this shall constitute fulfilment of this Policy and the faulty Mobile Phone will become Our property); or

Your cover under Accidental Damage and Your Product Care Mobile Policy will end if Your Mobile Phone is replaced by Us with a Replacement Item. You should note that in such circumstances, the term of Your Policy ends.

Your cover under Accidental Damage will also end if We repair Your Mobile Phone twice under Accidental Damage cover. For clarity, where Your Mobile Phone is repaired once, the Policy will not automatically come to an end and You may claim during the term of Your Policy subject to its terms and conditions.

Accidental Damage cover is for the Mobile Phone only. Accidental Damage cover does not cover items such as chargers, docking stations, external speakers, components, cases or wiring classified by Us as 'accessories' or 'consumables' and not built in or on the base unit, such as mounting kits, memory disks or disk, disposable memory devices, sim cards, carrying cases or stylus pens, or any other parts/components requiring regular maintenance.

Replacement Terms

If Your Mobile Phone costs more than €95 and less than €3000 and it is not economical for Us to repair Your Mobile Phone at Our sole discretion, We may replace Your Mobile Phone with a new phone that is its nearest equivalent. We may, at Our sole discretion, replace Your Mobile Phone with Refurbished Stock. Refurbished Stock has the following grading:

Grade A: The part or mobile is in immaculate condition with minimal signs of use. In most cases it will have no signs of use at all.

Grade B: The part or mobile is in very good condition. There will be signs of scratches but will not include deep scratches and no significant signs of heavy wear and tear. This will not affect the functions of the phone.

In the event that We replace Your Mobile Phone, We will take into account features, quality and specifications of the original item as well as the operating system and the availability of the technology.

The value of the replacement phone shall not exceed the Original Purchase Price You paid for Your Mobile Phone. Due to changes in product technology and availability, the replacement phone We supply may have a lower selling price and is not limited to the original manufacturer brand of Your original Mobile Phone. Replacement price differences, if any, will not be refunded.

If We cannot repair Your Mobile Phone or offer a suitable replacement, We may arrange for You a store credit for use with the Retailer or cash settlement. The value of any store credit or cash settlement that We arrange for You will not exceed the Original Purchase Price of Your Mobile Phone. The decision to repair, replace, offer a store credit or cash settlement is always at Our sole discretion.

If Your Mobile Phone is replaced, a store credit is given or a cash settlement is made, this shall constitute fulfilment of this Policy and the faulty item will become Our property.
